Coffee Mornings, Drop Ins & Duty System

Coffee Mornings

Many of you have attended our coffee mornings in the past and with the new government guidelines we trialled a virtual Zoom Coffee Morning last month! This was such a success we are running another virtual coffee morning this month.

We will be using the software programme Zoom that can be downloaded on to your smart phone or computer. Find and download it here;

<https://zoom.us/home?zcid=2478>

Our virtual coffee morning will take place on;

Friday 15th May 2020 at 10am

Due to the technology, we have a limited amount of spaces available. The first 12 people to apply will be sent a link to join the meeting. If you would like to attend, please contact wandsworth.office@contact.org.uk. This will be Alaina's last working day with Contact so join us in giving her a virtual send off!

Drop Ins

Our drop ins are an opportunity for you to meet with a family worker to get advice and information. As we are now offering our service virtually, we will be announcing the sessions on our Facebook page here;

<https://www.facebook.com/contactinwandsworth/>

If you would like support during the specified Drop In times please comment your name on the Facebook status when they are posted, or if you do not have Facebook, please e-mail the office at wandsworth.office@contact.org.uk. The family worker running the Drop In will then contact you directly.

Drop In with Molly

THURSDAY 14th May between 1pm-3pm

Drop In with Rhiannon

WEDNESDAY 20th May between 9:30am – 11:30am
